TPW RANGE

Everyone wants to have just the best of everything especially when it comes to the interiors of the house. Every house has its own language and we understand it. Hence, here we are with the TPW range of fans, where every design exceeds your expectations and its superior performance add a cherry on the cake.

ALTRIX HS+

NEW

Features

- Attractive color combination
- Aerodynamically balanced PP blade for vibration free rotation
- Ability to withstand a wide range of voltages
- High speed fan for wider air spread
- Oscillation function brings wider range of air flow
- Thermal protection for extra safety
- Fully adjustable height for pedestal fan

Specification

Product	Sweep (mm)	Speed (RPM)	Power (W)	Air Delivery (CMM)
Table, Wall, Pedestal	400	2200	115	90
Wall	300	2400	75	65
